

SERVICE CONSOLIDATION PLAN—

As mentioned recently in our worship services, we are excited to announce a new plan for the consolidation of our worship services. Beginning on **September 15, 2019**, we will move to a “two-service model,” gathering as a church family on **Sundays at 9:19am and 11:11am**. To hear more about the rationale for this new approach, please use our mobile app or website to view Darin’s sermon from August 18th.

As a result, our ongoing ministries and adult fellowships will shift accordingly into these new time slots. Below are all the details. For more information, contact our church office or email info@fullertonfree.com.
