Trek Team 2020

Who can apply?

All students who will be entering 8th grade in Fall 2020.

What is the Trek Team?

The Trek team is made up of students who are entering 8th grade and who have a desire to grow in their relationship with Christ. Trek is designed to stretch and challenge students physically and spiritually through a weeklong backpacking trip in the Inyo National Forest. Our desire and expectation is that the students on the Trek team would not only be impacted through their time in the wilderness, but that they would take what they have learned and apply it to their lives at home, in school, and with their friends. During the week we will be focusing on spiritual growth and formation, with a focus on learning and practicing hearing from God.

Cost:

The cost of Trek is \$155*. This covers the cost of permits, transportation, and food during the week. Cooking supplies, tents, and food storage are provided by the church.

Equipment Rental:

The most expensive items needed for the trip are backpacks and sleeping pads. Many people choose to rent these because of the limited use. Renting from sporting goods stores can be complicated and expensive, typically running over \$70. The church offers backpacks for \$45 and sleeping pads for \$10 in order to help keep costs down. If you decide to rent from Fullerton Free, you can fill out a form at the parent meeting on May 31st.
