hi middle schoolers & parents!

Part of the mission of Fullerton Free's Middle School Ministry is ensuring each student feels known, valued, and included in the larger body. It is because of this mission that we place students into Small Groups of about 6-10 students of the same gender and grade, placed under the leadership of a caring adult leader. Small Groups allow students to get connected in a smaller, more personal setting, while facilitating community and investment from their adult leader. Small Groups will stay together for one year, filling out new applications each year in the Fall for a Small Group.

Our Small Group leaders are asked to attend MSM every Sunday morning and Wednesday evening. Beyond that they are encouraged to join us on other activities and trips, as well as finding ways to spend time with students outside of church. These volunteer leaders go through an application process, which includes 2 interviews and a fingerprinted background screening. The MSM paid staff oversee all of our Small Group leaders and spend time throughout the year investing in their lives, including ongoing trainings and spiritual development.

In order for us to make wise decisions in placing students, we ask parents and students to complete the attached application. The deadline for finishing this form is September 12th, and groups will be finalized no later than September 29th. Students are given the opportunity to request friends with whom they would like to be grouped. While we do our best to honor these requests we are not always able to place them with all they list. Please feel free to contact us anytime with questions regarding our Small Groups or any other aspect of MSM.

We are excited for what God has for us in the year to come!
