HIGH SCHOOL PMT

PARENT MINISTRY TEAM

The High School Parent Ministry Team (PMT), serves as a first stop resource for parents and families as they support their students to take increasing responsibility for their journey of faith and personal spiritual growth. The PMT functions as an advisory role regarding policies in student ministries as well as facilitating increased parental involvement, providing a communication liaison with the pastoral staff and families within the ministry. We recognize parents are the main nurturers of their students and it takes a church family to partner with them. HSM Staff alongside this group of parents would always love to connect with you if you have any questions, concerns or desire for increased support.
