

March 1, 2022

We are so excited to announce that registration is now open for our Summer Program at Fullerton Free Preschool! Join us for two months of summer fun from June 1st -24th and/or June 27th-July 22nd. Each week will bring a different theme with exciting activities including water play, science, art, on campus field trips, and so much more! Families can choose one or both sessions. The school will be closed July 25th-August 5th in preparation for the upcoming school year.

Families who are currently enrolled have priority registration through the month of March. You will find our Summer tuition schedule/rates along with our summer registration form attached. Please submit a registration for each individual child. Registration is available for children up to 8 years old.

There will be a one-time \$25 activity fee per child (ages 2-8). Current students will be billed automatically through Brightwheel once registration forms are turned in. Registrations must be completed in full to be accepted by the office. Please do not turn in registrations to your teachers, they must be submitted to the office. Siblings of currently enrolled students will have priority over new families. Approved registration is dependent upon availability. Please register early if you'd like to ensure your child's spot.

Please return summer registration forms by **March 28th** as new families will begin enrollment in April. Be sure to reserve your child's spot today! I am so looking forward to having a very normal and fun summer with our kiddos!!! Please let me know if you have any questions at all.

Looking forward to a fun summer full of making memories with our friends!
