

MSM 2022
Rise Application

RISE Application

Who can apply?

Any student entering their 8th grade year in fall of 2022.

What is RISE?

RISE is a leadership team for 8th grade students who will serve during VBS. Our goal in partnering is to foster relationships between the students in our ministries, while developing our students as leaders. Our students serve in the following ways: counselors, station assistants, and support staff. Our students also help prepare decorations and materials for the camp by prepping in the weeks before camp. We train and equip our students to work with children; no previous experience is required.

The VBS camp runs from after breakfast until lunchtime. Outside of camp, we spend a considerable amount of time teaching and training on servant leadership. As we build upon the hands-on experience during the week, we spend time discussing and learning with the hope that the students would take what they learn in this time into their spheres of influence and model Christ to their communities.

This week is a great time for 8th grade students to grow and learn more about what it means to serve others and grow in their relationship with Christ. We believe this time can be very beneficial and is fun, **but we do want to stress that this is a serious trip for students who desire to serve and grow.**

Trip Information

Cost: \$125 (this includes: all meals, activities, transportation)

General Information:

Students are with us overnight July 11th- July 14th. We sleepover at church, work at camp during the day and have various activities and trainings planned each evening. We treat these nights like an out-of-town service trip and plan for students to be with us the entire time. Because we will be on and off campus at various times, and for the unity of the team, we cannot accommodate students coming and going during the week.

Location: Fullerton Free Campus.
