### HIGH SCHOOL PMT

PARENT MINISTRY TEAM

The High School Parent Ministry Team (PMT), serves as a first stop resource for parents and families as they support their students to take increasing responsibility for their journey of faith and personal spiritual growth. The PMT functions as an advisory role regarding policies in student ministries as well as facilitating increased parental involvement, providing a communication liaison with the pastoral staff and families within the ministry. The PMT actively encourages ways to develop good working relationships with the parents, student ministry staff, discussion crew leaders and the students, recognizing that parents are the main nurturers of their students and it takes a church family to partner with them. Any of the parents on the team are a great resource to you if you have any questions or concerns! Contact Stephanie to get in contact with them.
