

The logo for Fullerton Free Preschool Summer 2023 is set against a bright orange rectangular background. The text "FULLERTON FREE" is in a small, white, sans-serif font at the top. Below it, the word "preschool" is written in a large, white, lowercase, sans-serif font with a horizontal line extending from the end of the letter 'l'. Underneath "preschool", the words "summer 2023" are written in a white, lowercase, sans-serif font.

February 1, 2023

Hello FFP Families!

I am excited to announce that registration is now open for our 2023 Summer Program at Fullerton Free Preschool! Join us for two months of summer fun from May 31st-June 30th and/or June 27th-July 22nd. Our summer preschool program also offers a school-age program for children who have completed kindergarten up to 8 years of age. Each week will bring a different theme with exciting activities including, water play, science, art, on campus field trips, and so much more!

This year, for those in the 2 year old classrooms and above, we are offering a flexible week by week schedule! Choose the weeks you would like for your child to attend within each session, or choose the entire session, whichever works best for your family. On the enrollment form, please mark each week within each session that your child will be attending. Once we receive your form, Ms. Tara will send you an invoice on Brightwheel for the \$40 registration fee. Weekly tuition will be charged at the start of each month for the entire session's schedule.

Families who are currently enrolled at FFP have priority registration until February 17th and registration will open to the public the week after. You will find our summer tuition schedule and rates along with our summer registration form attached. Please submit a registration and Admission Policies Agreement for each individual child.

There are a few holidays that our school is closed during the summer, including Memorial Day, June 19th, and the Fourth of July. The school will also be closed July 25th-August 5th for a deep cleaning of the school and for school maintenance.

Please make sure to have your registration completed in full before turning it in. Please make sure to turn your registration in to the office and not to your child's teacher. Siblings of currently enrolled students will have priority over new families. Register early if you'd like to ensure your child's spot!

Looking forward to a fun-filled summer!!
