| 4 DAYS | \$160 | \$680 | \$850 | \$985 |
| 5 DAYS | included | \$825 | \$1030 | \$1210 |

- Monthly tuition rates apply for August through May.
- Occasional hourly use of extended care is \$20.00 per hour (or any part of an hour). Extra hours need to be scheduled and approved through the office.
- Occasional drop-in days if space is available, is \$70.00 per day.
- Part-time children may use up to three make-up days per school year when space is available. These need to be scheduled and approved through the office and are not guaranteed. Full-time students receive free early care as opposed to make-up days.
- Early and After Care tend to fill up and if not enrolled, a drop in day is only available if space allows and is not guaranteed.
- Our school is closed for one week in August for Summer Break, one week in December and one week in January for Christmas Break. Tuition is discounted 25% in August, December, and January reflecting those school breaks. All other months are rolled into an average number of days attended to provide a consistent monthly payment.
