

PEP TALKS

Parents — Encouraging — Parents

***Sunday Mornings
February 4th and April 7th***

Join us Sunday mornings in the Family Room during the 9:19 service to discuss current topics related to biblical parenting while navigating the culture today.

Enjoy coffee and donuts while listening to short talks/discussion in groups on current topics.

Discussions are designed to stir healthy conversations about how to raise our kids with a biblical framework in an ever-changing world.
