

January 29, 2026

Hello FFP Families!

We are so excited to announce that registration is now open for our 2026 Summer Program at Fullerton Free Preschool! Join us for two months of summer fun from June 1st-June 26th and/or June 29th-July 24th. Our summer also offers a school age program, called Kids Krew, for children who have completed Kindergarten through those entering 5th grade! Each week will bring a different theme with exciting activities including, stem activities, water play, science, art, on-campus field trips, and so much more!

We are happy to offer a flexible week by week schedule for those in the 2 year old classrooms and older! Choose the weeks you would like for your child to attend, or choose the entire session, whichever works best for your family. On the enrollment form, please mark each week within each session that your child will be attending and which schedule. Once we receive your form and space is confirmed, we will send you an invoice on Brightwheel for the \$40 registration fee. Weekly tuition will be charged at the start of each month for the entire session's schedule. After registration has been submitted and paid for, changes are allowed to your desired schedule up to 2 weeks before that session begins.

Students who are currently enrolled at FFP have priority registration until February 27th and registration will open to the public the week after. You will find our summer tuition schedule and rates along with our summer registration form attached. Please submit a registration and Admission Policies Agreement for each individual child. There are a couple of holidays that our school will be closed during the summer: in observance of Juneteenth, 6/19, and Friday, July 3rd in observance of the Fourth of July. The school will not be in operation from July 27th-August 7th for a deep cleaning, maintenance, and staff development.

Please make sure to have your registration completed in full prior to turning it in. All registration forms must be turned in to the office in person, or emailed to the office staff. Our Infant and Toddler Program (Butterfly, Duckling, and Turtles) runs year round and does not have a separate summer registration. Please also note that siblings of currently enrolled students will have priority over new families and that all enrollment is subject to availability. Register early if you'd like to ensure your child's spot!

Looking forward to a super fun summer!!
